Breathtaking Views - One of a Kind

Upon inspection of this deluxe family home you will be instantly swept off your feet by its sweeping open plan living, tasteful design, abundant list of benefits and features and of course one of a kind panoramic views of Tamworth NSW. Located in a very quiet cul-de-sac in the prestigious location of East Tamworth, you will note upon entry of this estate how well maintained the homes are, and the architecturally designed integrity of this home and surrounding homes. Built with functionality and supreme entertainment in mind, 6 Glenview offers multiple well sized living areas, both inside and out. Entertainers will enjoy not one, but two large outdoor decks with breathtaking, uninterrupted, panoramic views. Benefits include driving in on one level into garage for ease, 24 solar panels recently installed offering 10.56kW, ducted reverse cycle heating and cooling with modern slimline vents in main living, full block-out blinds on western side plus beautiful vertical blinds, and many other benefits and features.

Outside you will find a manicured yard both front and back. A tastefully designed fire pit and sitting area in the lower garden is the perfect space to unwind, enjoy time with family and loved ones or a perfect spot for entertaining. A double lockup garage, workshop/storage room and fully fenced and secure backyard. Currently being utilised as a highly successful Airbnb that sleeps up to 13 guests - Further information on Airbnb can be granted upon request.
