## **Built to Last, Don't Be Last To Look**

Very well built, solid and lovely to live in as is, this substantial brick veneer home will ensure your comfort and security now and well into the future whether you are going to occupy or rent out.

A well designed home with built-in robes in all three double bedrooms, central bathroom with separate shower, full bath and a tastic, two separate toilets plus a most generous lounge room with a reverse cycle split system air conditioner and economical combustion heating. The spacious kitchen and large meals area has great cupboard and bench space, electric cooking, excellent natural light and a walk-in pantry.

An easily managed block with established gardens, a private side yard, double carport, external office/hobby room/sleepout with power, garden shed, rear verandah, 12 money saving solar panels, secure fencing and handy front and rear access.

Add to all this you have low maintenance brick veneer construction with aluminium windows, colorbond roof on a concrete slab.
