Featuring 2 spacious bedrooms with floor to ceiling built in robes, the home's master suite comes complete with an updated ensuite for added privacy and luxury. All rooms are light and airy, creating a welcoming atmosphere throughout, not to mention the generous amount of storage options in the home, not only in the bedrooms but also floor to ceiling storage in the laundry, linen press, large pantry and plenty of cupboards in the kitchen. Adjacent to this is the galley kitchen, equipped with ample bench space and double sink making meal preparation a breeze.

Outside, the property continues to impress with a double carport that offers convenient side access to a single car garage - ideal for extra storage or a workshop. For those with caravans or boats, there is also space for these to be stored, with access to power and water as an additional bonus.
