Amanda Butler

Unparalleled Ascot Living

You will be captivated by the seamless flow of the modern interior with classic design elements, creating an inviting atmosphere that perfectly embodies sophistication alongside the warmth of family living.

This stunning residence combines classic period details that pay homage to the home's history-stunning pressed metal ceilings, fretwork, elegant VJ walls, and charming wainscoting. Contemporary touches, including dark oak herringbone floors and a chef-inspired kitchen with an impressive 4-meter stone island bench, enhance the home's appeal.

A beautifully designed formal lounge and dining area with a majestic 20-foot coffered ceiling and a spectacular chandelier create an enchanting space perfect for bringing family and friends together. It features a gas fireplace and tailored cabinetry that exudes luxury.

Entertaining is a breeze with a top-of-the-line SMEG dual oven, integrated Miele appliances, and a convenient spacious butler's pantry. You can choose from over 300 bottles in your climate-controlled wine cellar or savor the Bay breezes on your expansive travertine tiled patio, which features an outdoor kitchen and spacious pool, ideal for endless summer entertaining.

Discover four stunningly designed bedrooms on the upper level that offer both comfort and elegance. The main suite, awash in natural light, boasts a custom dressing room and a lavish ensuite. Bedrooms two and three share a spacious family-friendly bathroom with impeccable finishes, while bedrooms four and five each have their own ensuites. Plus, a flexible study easily converts into a sixth bedroom on the ground level, providing even more options for your guests.

This spacious home has thoughtful features, including a family room with a built-in bookcase, a marble powder room, ducted air conditioning, energy-efficient lighting, a mudroom with built-in cabinetry, direct access to the garage, a security system, a gated entrance, and a double remote garage.

Nestled on a generous 562 sqm with a 20 m frontage in a tranquil elevated, tree-lined street, the home is a short walk to Oriel Park and the vibrant Racecourse Road. Families will appreciate the proximity to Ascot State School, St Margaret's, St Rita's and Clayfield College.

This is your opportunity to purchase an unparalleled living experience in the heart of Ascot.
