Nestled in a quiet cul-de-sac in the heart of Kandanga, this solid hardwood home offers incredible potential for first-home buyers, renovators, or investors. Featuring 3 generously sized bedrooms, an additional office or small bedroom, a Main bathroom and 2 toilets, the layout is both practical and versatile. The original kitchen, equipped with a gas stove, adds a touch of vintage charm, while the large living room extends to a landing deck with stairs leading outside, creating a seamless indoor-outdoor flow. At the rear of the home, a spacious outdoor deck provides breathtaking views of the Mary Valley, making it the perfect spot for entertaining or simply relaxing with nature as your backdrop. Underneath the home, you'll find ample storage space with a lock-up area for a trailer or boat, a laundry with a shower, and a carport that could be enclosed to create additional living or storage space. The garden beds surrounding the property add a touch of greenery, while the recently updated roof (less than 5 years old) ensures durability for years to come.
