OPPORTUNITY PLUS IN BRIGHTON

We are excited to offer a remarkable opportunity for individuals interested in undertaking a renovation project on a post war style residence. This delightful home boasts polished timber flooring and retains its original kitchen and bathroom features. It consists of three bedrooms and includes a separate toilet upstairs.

On the lower level, providing extra space for storage, along with side access to a generous backyard.

Located in Brighton, one of the most rapidly developing suburbs on the north side, this property is positioned on an elevated lot on Rensburg Street, offering close proximity to schools, shopping facilities, and the stunning waterfront. This is an ideal chance to secure a land banking opportunity or to creatively renovate this charming older home into your ideal living space.

The property will be sold via auction; however, we are open to considering offers with auction conditions prior to the auction date.
