DOUBLE STOREY with POOL & low maintenance grounds

Rare find double storey home overlooking trees and natural vegetation, located just a short stroll to public open space and parks. With three separate living areas, family bedrooms upstairs and the master on the ground floor- this home functions perfectly for families of all sizes.

Time poor and busy yet desire the benefits of a pool? The well thought out grounds ensure minimal time spent on landscaping while still having nature amongst your space and the benefits of a good size pool given you're on a 400sqm block.

Features include but not limited to:

- 4 bedrooms PLUS study
- 2 bathrooms with 3rd toilet
- 3 living areas including an open plan Kitchen Living and dining, formal theatre, third living space upstairs
- Huge kitchen with great layout & easy access to laundry space
- Study positioned at front of home ideal for working from home
- Solar panels with EV charging set up
- Enclosed front yard ensuring user friendly land
- Double car garage
- Air conditioning reverse cycle (Fujitsu system) with ceiling fans to bedrooms
- Fully reticulated both to front yard and rear
- Store room space to garage as well as under stair storage

More details to come- the first opportunity to view will be this Saturday 30th November.
