## **Spacious living..**

In a good location and set on a 2024m2 double block in Wallangarra with 2 titles, this older style hardiplank home - C1910 -

is quite spacious featuring 3 bedrooms, two living spaces; 1 with wood heating and air con, galley style kitchen with both gas and fuel stoves and ample storage, bathroom with shower over bath, laundry and a front and rear sunroom for extra living spaces!

The front room could easily be converted to a 4th bedroom or office space.

Handy walk in pantry/store room.

Just what we all need!! There is plenty of shed and storage space provided by 2 garages, single garage with workshop, carport and garden shed. There is also a poly water tank to aid in watering of the extensive gardens in the fully fenced yard. Entertain in the bar and bbq area, including fire pit space.

The home is right on the border and Wallangarra is an easy drive to either Tenterfield or Stanthorpe.
