Spacious Family Home with Comfort, Charm, and Potential

This recently updated and freshly painted 3-bedroom home is the perfect blend of style and functionality, featuring a brand-new kitchen and bathroom to complement its thoughtful design.

All bedrooms include ceiling fans, with two featuring built-in wardrobes, and the master boasting its own private ensuite. The main bathroom has been beautifully renovated and is thoughtfully designed with a separate toilet, while a third bathroom off the laundry adds extra convenience. For year-round comfort, there are air conditioners in the living room and one of the bedrooms, complemented by a cosy combustion fireplace in the living area.

The light-filled open-plan living, dining, and kitchen area is the heart of the home. The stunning new kitchen is a chef's delight, featuring modern finishes, a walk-in pantry, and a breakfast bar, perfect for casual meals or gathering with family and friends. A rear sunroom/study adds versatility, offering a peaceful space for work, hobbies, or relaxation.

The property is set on a large block with exciting development potential (STCA), providing endless opportunities to extend, build, or create your dream outdoor retreat. The double lock-up garage easily accommodates two vehicles, with extra room for a workshop or storage, and ample off-street parking is also available.

With its fresh updates, modern features, and exciting potential, this property is ready to welcome its next chapter.
