Offered to the market for the first time in over 40 years, this charming 3-bedroom, 1-bathroom brick home is a fantastic opportunity for families and investors alike. The single-level design features a spacious living area with multiple split-system air conditioners, ensuring comfort throughout the seasons. The kitchen is functional and flows into the living spaces, while the three well-sized bedrooms offer plenty of room for relaxation. A single garage with convenient roll-through access to the large backyard provides added storage options or space for additional vehicles. The expansive yard is perfect for kids or pets to play and enjoy the outdoors. Situated in a sought-after location, this home is just a short walk to the bus stop and only moments away from all that Wyoming has to offer, including the highly regarded Valley View Public School. This property is a rare find with endless potential, offering a fantastic lifestyle in a prime location. Don't miss your chance to see why the same family have held it for over 4 decades.
