Zone In on Outstanding Art Deco Potential

Step out of the past in divine Deco style ...and into your future in the McKinnon College Zone. A grand presence beyond a curvaceous fenceline, this three bedroom Art Deco beauty is already extended, already upgraded.... and all ready to welcome a modern family. Following a traditional floorplan with fine formal lounge and dining rooms divided by beautiful double doors, this solid-brick beauty has a generous family-room opening to an all-weather entertaining area, and a timeless timber and stainless-steel appliance kitchen with meals area at the heart of it all.

A superior example of its time with lavish leadlight, elaborate Art Deco ceilings and rich never-painted timber work, this centrally heated and reverse-cycle air-conditioned home is perfect for today with a quality bathroom with separate WC, a huge laundry, and bonus skylit lobby area - perfect to fit a future butler's pantry.

Superbly solid and beautifully scaled, there's scope for the home to become even more perfect tomorrow with potential for a grand renovation to maximise the home's outstanding Deco detail and grand original proportions. There's even an immense double-plus garage with two huge storerooms (one plumbed for kitchen and bathroom) to provide great storage during the work... and inspiration for additional accommodation when it's done!

Whatever the plan, this substantial approx 739sqm land and exceptional McKinnon Secondary College address are ready to reward with a blue-chip period precinct position; just around the corner from Wattle Tree Gve Park, one block to McKinnon Rd's cafes, and a dash to the station.
