## Noosa Hinterland Hideaway on 12 Acres Close to Cooroy

Tucked away on a beautiful 5-hectare block, this unique off-grid property offers the perfect balance of peaceful living and modern comforts. Surrounded by nature, this home is ideal for anyone looking to escape the hustle and bustle while still enjoying the conveniences of a well-designed space. Step outside and you'll be surrounded by a stunning natural environment. A seasonal creek winds its way through the property, with tree ferns and rainforest plants lining the banks. Over 120 bird species have been spotted here in the last decade, making it a haven for wildlife lovers. From the large, elevated verandahs, you'll enjoy a constantly changing view of the surrounding landscape and wildlife right outside your door. Inside, the home has a welcoming, warm feel with its high vaulted ceilings and hardwood floors. The Queensland maple feature walls and New Guinea rosewood-framed windows give the space a natural, earthy vibe, while strategically placed louvers allow for plenty of fresh air and natural light. The property is completely off-grid, powered by solar energy with a backup generator. You can stay connected with NBN while enjoying the peace that comes with sustainable living. The kitchen has a new stone benchtop, and there's a woodfire heater to keep you cosy during the cooler months. Underneath the house, there's a single lock-up garage and workshop, plus carport space for three vehicles, providing plenty of room for storage and projects. Despite its private setting, this property is just minutes from town, offering both seclusion and convenience. Whether you're looking for a full-time retreat or a weekend getaway, this place offers the best of Noosa Hinterland living. Come and experience the tranquillity and sustainability of 60 Stanfield Lane, Black Mountain-where nature and comfort come together.
