Where it Counts

In an elevated position and with beautiful sunny disposition, 61 Tottenham Road includes so much value compared to similar properties in the area.

With 3 bedrooms, open kitchen & dining, large separate lounge with reverse cycle air conditioning & all of which capture the sun at different times of the day, upstairs offers a warm and welcome space to hang your hat.

Then, it's downstairs where the property really shows its value as you have a secure 6x7m garage & workshop with additional storage underneath.

Whether you need space for your cars, toys or even a home gym, there is more than enough to satisfy whichever itch you're looking to scratch.

Sitting on over 650m² of land, not only is there plenty of space to play, you get to enjoy views across the suburb while you're at it.

61 Tottenham is a phenomenal, low maintenance home that delivers where it counts and so it's worth asking, why accept the average when you can have so much more?
