Elevate your lifestyle @ Chester & Ella

One of the most sought after developments in the Fortitude Valley precinct, "Chester & Ella" is like none other. Sophisticated and luxurious, this two-bedroom apartment offers privacy and solitude but not at the expense of a vibrant urban landscape that is on your doorstep. With an ideal location for professionals who commute to the city and downsizers wanting refinement and exclusivity, you are only 2.5Kms from Brisbane's CBD, close to transport, restaurants, boutique retailers and the renowned nightlife of Fortitude Valley. Adding interest, you are only 300m to the renowned James Street precinct and The Calile Hotel. The Chester & Ella development emulates two different personalities - Ella focuses on femininity & softness, while Chester represents abstract design and features neutral colours. Emulating the personality of "Chester", this apartment is modern and sleek with dark, moody tones complimented by natural woods and heightened by illustrious floor to ceiling glazing capturing stunning panoramas and bathing the residence in natural light. • 88m² of internal living hosting 2-bedrooms & 2-bathrooms • Master with ensuite, BIR & direct access to balcony | spacious 2nd bedroom with BIR & study nook • Large private balcony with urban panoramas | open plan living and dining | Euro laundry • Artisan kitchen with waterfall marble counters, European appliances, breakfast bar and ample storage • Bathrooms with floor-to-ceiling tiling • Ducted air-conditioning | ceiling fans | engineered timber floors | plush broadloom carpets • 1 car secured basement parking Completed in 2019, Chester & Ella is a pet-friendly complex offering a boutique lifestyle with show-stopping amenities for residents and their guests. • Concierge service, available 7-days a week - including dog walking & private event co-ordinator • Hosting an intimate or epic private function?
