\$685,000

Located in one of Moama's most popular and central areas, this expansive four-bedroom brick veneer residence offers plenty of place for the whole family. Each of the four generously sized bedrooms boasts built-in robes. Upon entering the home you are greeted by the first of the two-living area, living one is an expansive room flooded with natural light while living number two combines an open plan kitchen, living and dining area. The large kitchen boasts a 900mm stainless steel gas cooktop, and in wall electric oven. There is plenty of bench space and a large breakfast bar for casual dining. Outside there is a large undercover outdoor area that overlooks an inviting in-ground saltwater pool and huge, immaculate back yard. Carport parking for two cars and a single car garage or workshop as well as inground, automated sprinkler system front and back. The home also boasts ducted evaporative cooling, ducted gas heating to keep you comfortable year-round. Conveniently located close to Moama Grammar and Moama Woolworth, the home is also just around the corner from the Park making this quiet family location the perfect place for you to call home.
