Sophistication with a bushland view

The exceptional quality of this home is sure to enchant many. Once you step into this home you are greeted by an invitingly serene entrance that gracefully guides you down a hall to the expansive open-plan living area. The chic, modern designer kitchen, adorned with high-quality appliances and gleaming granite benchtops, offers ample storage and seamlessly flows into the dining area and cozy carpeted lounge area.

An enchanting undercover alfresco space beckons, with 2 areas, one with pull down screening and the other as an open area, both perfect for gatherings with family and friends, all while overlooking the tranquil local bushland at the rear. The outlook is absolutely gorgeous and an inspection is a must to appreciate the view.

Four generously sized bedrooms, each featuring built-in wardrobes, await-except for the large master suite, which boasts a spacious walk-in robe and a sophisticated ensuite adorned with contemporary fixtures. The main bathroom is a masterpiece in itself, showcasing a deep soaking tub, complemented by a separate powder room.

Ducted air conditioning whispers comfort throughout the home, perfect for your heating and cooling needs. There is also the option of gas heating, with an outlet located in the lounge room.

Completing this exquisite dwelling is a roomy double garage, equipped with a rear roller door for easy drive through access to the backyard, allowing for the parking of a boat or trailer.
