Contemporary home, spectacular views, brilliant north aspect

It's the Instagram view of a lifetime: due north vistas across the entire sweep of Palm Beach with Lion Island on the Pittwater side and the tip of Barrenjoey straight ahead. This contemporary residence is all about privacy, brilliant sunshine and phenomenal views; set on a level and low-maintenance block of 822sqm, the generous, open plan layout capitalizes on all three. Galleries of glass bring the views and light to the very centre of the residence, while decks and sandstone terraces extend the living areas to outdoor entertaining zones and the privacy of the gardens.

The kitchen is smartly-finished with Corian benchtops, custom-designed joinery and walk-in pantry; there are two guest bedrooms on the ground level, while the entire second floor is given over to a lavish master retreat with a second lounge and private deck. A sensational weekender or fulltime residence in one of the area's most desirable settings, it's located directly across from the walking track to Palm Beach and the rockpool,
