Great Family Home & Beautiful Gardens

This lovely highset 3 bedroom home has just hit the market with the 1st Open house Wednesday at 5pm.

Downstairs is enclosed with a large room, perfect for a rumpus room, a lockup garage, the laundry, plus a bathroom. This is perfect if you wanted to have a granny flat or Airbnb it out.

Beautiful gardens that won many awards in the years past. So, if you love gardening, it would be best not to miss out on inspecting this home.

Upstairs has a covered rear deck, kitchen, air-conditioned living areas and a secure front patio. There are 3 bedrooms, with an air-conditioned main bedroom and family bathroom. Solar power is a huge bonus with the high cost of power these days.

Walk to Glenmore High School and Shops or Heights College. This is a lovely family home with great neighbour's and won't last long in this market.
