With an expansive floor plan over 4 levels, the stunning staircase void at the centre of the home is cleverly designed to allow plenty of natural light to filter in. With a north-facing aspect you will enjoy sea views and striking sunsets from your very own lookout.

Entertainers will love bringing friends and family together here. Enjoy preparing meals in your modern kitchen with European appliances and stone benchtops.

Your poolside alfresco space features insulated roofing, in-built Bluetooth speakers, outdoor heating, pizza oven and thatched Bali hut, this is what Gold Coast living is all about!

Bedrooms are divided over 3 levels, with the master retreat occupying its own top floor. The spacious master includes a renovated ensuite, huge walk in dressing room and balcony overlooking the pool.

3 bedrooms sit on the level below with a beautifully renovated bathroom to service them. All bedrooms are spacious, have built in wardrobes and ceiling fans.
