\$1,420,000 - \$1,480,000

Flaunting a range of upgrades and enhancements courtesy of the current owners, this stylish cul-de-sac home provides inviting family interiors complemented by low maintenance outdoor spaces. Captivating from the road thanks to a lush established front garden, the paved front porch gives way to satin polished hardwood floors and lofty ceilings. Black accents have been used to give an urban edge to the chic accommodation which features a huge bedroom/retreat (BIR) to the front along with a tranquil master showcasing ample storage and a luxe ensuite with both shower and bath elevated by quality finishes. Further on, the formal lounge is a tranquil place to relax fireside on cool winter evenings, whilst an open plan entertaining zone spills out to a huge sheltered alfresco deck creating a glorious scene for indoor-outdoor get togethers. Hosts will love the oversized kitchen which features stone benchtops, a Siemens oven & combi oven plus an integrated Bosch dishwasher - a brilliant walk-in pantry plus a hydraulic servery window to the deck all add to the convenience and function. A second ensuite bedroom with A/C and walk-in robe is a true highlight, while a fourth bedroom (robes), central bathroom and sleek laundry are all offered. Kept comfortable with ducted heating and evaporative cooling, the home is wrapped up by a storage shed/workshop and ample off-street parking. Steps to bus stops, a walk to Cheltenham East Primary School and childcare and close to both Southland and DFO, this appealing home is within easy reach of the station and a zoned for Cheltenham Secondary College. For more information about this stylish cul-de-sac setting, contact Paul Sibley at Buxton Hampton East.
