Close to shops, schools, and transport, you'll enjoy easy access to everything you need while still being able to retreat to your own peaceful space.

Designed for family living, the home offers generous spaces throughout. Two living areas provide flexibility for different needs, whether you're after a quiet spot to unwind or a larger space to entertain. The master suite is set apart from the other bedrooms, providing parents with their own private retreat, complete with walk in wardrobe and ensuite. The three additional bedrooms are all spacious, with plenty of built in storage. The family bathroom is modern and practical, offering room for everyone.

Step outside to the beautifully landscaped backyard, perfect for kids to play or for anyone who loves to entertain. The fully enclosed deck, which includes a built in kitchen, is ideal for alfresco dining all year round. The fenced heated pool is a real highlight, offering a safe and relaxing space to enjoy the outdoors no matter the season. There's also side access, making it easy to store boats or caravans, and the double garage has internal access for added convenience.
