This timeless home combines charm and practicality, offering ample space for versatile multi generational family living. With its classic façade, long driveway, and secure lock-up garage/workshop, it's the perfect blend of character and functionality for those seeking a warm and inviting place to restore and call home.

Step inside to a bright living room with floorboards throughout, bathed in natural light from large windows and warmed by a cosy electric heater, creating an inviting atmosphere. At the heart of the home, a spacious dining area adjoins a classic kitchen featuring a breakfast bench, gas oven, tiled splashback, and ample cupboard space. The kitchen also connects to a conveniently placed laundry area for everyday ease.

The clever layout includes three great-sized bedrooms on the ground floor, all serviced by a central bathroom with a stand-up shower, single vanity, and bathtub, plus a separate toilet for guests.

Toward the rear, an extension of the original home, that has added a full sized living area, kitchen, bedroom and bathroom making this home ideal for multi generational living or families looking for a home for adult or teenage kids!

The sunlit living area boasts large windows and carpeted floors, while the secondary kitchen, complete with a sink and breakfast bench, makes hosting family gatherings a breeze. Sliding doors lead directly to an expansive backyard-a private haven where kids and pets can play freely.

Upstairs, the main suite offers a peaceful retreat, complete with a spacious built-in robe and an ensuite featuring a stand-up shower, vanity, and toilet.

Additional features include a large backyard, a long driveway accommodating multiple vehicles, and a versatile lock-up garage/workshop ideal for storage or hobbies.
