June Frank

CHARACTER HOME ON 1416 SQUARE METRES

Perfectly located on the CBD fringe in an elevated position. Flood free, this solid Queenslander is a great home for the young family or secure investment with possible subdivision potential subject to council approval.

Structurally sound, with new roof and solid stumps, the home would benefit from a cosmetic makeover.

Many original features include timber fret work and an abundance of coloured glass windows. Very generous living space and the kitchen is well appointed with loads of cupboards and bench space.

A generous deck with views to the Flinders Range and overlooking the expansive garden supplies the perfect entertainment area.

Lock up car accommodation underneath, with second water closet and great workshop storage space.

Solid home, huge block, walk to CBD and schools.

Can't go wrong with this position.

\$800,000.00
