This charming Beach Shack has been in the one family for over 60 years. An original farm house from Brisbane that was given a new life on Straddie in the 1960's. There are two good sized bedrooms and a small bunk room/office space. A vintage kitchen and dining area complete with original features. There are gorgeous hardwood timber floors under the retro laminate and casement windows feature throughout. The bathroom and laundry and storage area is in a separate room connected to the back of the house. This house sits on a 637m<sup>2</sup> block with plenty of room for extensions. It backs onto beautiful Straddie Bush Reserve with a track straight through to the beach. Call to book your inspection Ph:0418 752 766
