An Effortless Lifestyle in a Convenient Location

A light and bright lifestyle centred around comfort and convenience has been beautifully crafted by this family-friendly 3-bedroom home, impressing to no end with its abundant natural light, functional indoor and outdoor areas, and practical enhancements ideal for the young family or downsizer.

A well-zoned family, dining and kitchen area emanates an airy ambience filled with natural sunlight beside a spacious island kitchen equipped with high-quality appliances, with space enough for the largest of furniture suites and an effortless connection to the adjacent covered terrace, equally significant and impressive in size.

The three bedrooms are zoned to perfection from the social spaces, closely supported by a family bathroom with floor-to-ceiling tiles plus a separate toilet and laundry. Finished with split-system air conditioning, vegetable gardens, a storage shed and a single garage, it sits on a neat allotment just moments from High Street shopping and cafes, public transport, Wallaroo and Hastings primary schools, Western Port Secondary, and the beautiful foreshore.
