First there is Durras, known for its pristine beaches, peaceful lake and gorgeous national park. Then there are the streets that capitalise on all three. And this location, on this street ; is sublime. This four-bedroom home is located a less than 200 metre flat walk to the sand, with crownland between you and the ocean or only 700 meters to the boat ramp to the lake. Big windows capture sunshine and the leafy backdrop on both levels. A modern kitchen, large rear covered deck begs for the BBQ with friends. The floor plan really caters for the holiday lifestyle of South Durras. Two bedrooms up and down with living spaces on both levels is perfect for two families sharing summer together. Fully fenced yard for the grandkids and pooch. Store the boat, kayak and fishing gear in the garage, plus carport for added vehicle accommodation. All the bases are covered for Christmas, cancel your holiday booking and buy today.
