Imagine coming home to a place that has it all-space, comfort, and a touch of charm that makes every day feel special. This beautiful 3-bedroom, 1-bathroom home, set on an expansive 1062m² block, offers the perfect setting to create lasting memories. As you step inside, you're greeted by a warm and inviting living area where a wood fireplace crackles softly, filling the space with a cozy glow on chilly evenings. Reverse cycle air conditioners throughout ensure comfort no matter the season, keeping the entire home just the way you like it. The heart of the home is the modern kitchen, designed for both practicality and style. Picture yourself whipping up delicious meals while chatting with loved ones in the adjoining living spaces. With two separate living areas, there's room for everyone to spread out, relax, and enjoy. Step outside to discover the true treasure of this property. A separate games room awaits, perfect for entertaining friends, indulging in hobbies, or providing a retreat for the kids. The added bonus of a second bathroom outside adds convenience and flexibility for those long summer barbecues or garden days. Speaking of the gardens-they're simply stunning. Imagine spending weekends surrounded by blooming flowers, lush greenery, and your very own sanctuary of peace. The roller shutter blinds throughout the home ensure privacy and energy efficiency, while the concrete driveway leads straight to the Back door.
