Stunningly Beautiful, Yet Brilliantly Functional with Bonus Ocean Views.

A family haven of remarkable dimension, this magnificent resort-style home needs to be seen to be understood. Positioned on 986sqm of land with dual street frontages and a self-contained granny flat at the rear, it offers an ideal configuration for multi-generational living and entertaining.

Showcasing skillful design and considered use of materials and light, the striking residence offers privacy, space, and superb functionality with a seamless interplay between indoor and outdoor living.

The expansive interiors with flawless presentation feature a bright and breezy living space, large entertainer's kitchen, and luxury accommodation for family and guests. This, coupled with a verandah boasting ocean views, a private poolside oasis, and incredible natural surrounds, make this arguably one of the most exciting properties available on the Central Coast.

Highlights include, but are not limited to:

- Superior craftsmanship, high-end finishes and a prestigious address
- Covered verandah with ocean views accessible from the living room and master bedroom
- Cathedral ceiling, gas log fire, and spotted gum flooring in upstairs living area
- Spiral staircase leading to a loft bedroom / home office
