Is this the neatest home in St Helens?!

With a very thoughtful layout that includes an open plan kitchen and dining flowing through to the living area, the home is incredibly light and airy - and being north facing, the warmth of the sun exudes right through the home.

Three double bedrooms each have a built in robe and are handy to the bathroom. The WC is separate and the bathroom offers bath shower and vanity all in stylish white. A separate laundry allows for ease of use and opens out onto the rear yard.

The yard is fully fenced and there is a single car lockup garage - this property reflects exceptional value packed and is an ideal low fuss investment currently, but it can also be a fantastic home to call your own. Secure and walking distance to the school, shops and Georges Bay. Super low maintenance and with new carpet, fresh paint and modern window furnishings throughout, there's nothing to spend.

Spot on properties like this do not come to market often, so get on the phone today to arrange inspection with Heidi and her team at Harcourts St Helens - please note minimum 48 hours notice is required prior to inspection as this property is tenanted.
