Renovated 5-Bedroom Entertainers' Paradise in a Prime Position

Superbly located within Keilor's illustrious Golden Mile, Main Road Real Estate proudly presents 770 Old Calder Highway - a beautifully updated, two-storey 5-bedroom family residence, encapsulating the very best of resort-inspired living in an iconic location.

Enjoying maximum privacy, the fully fenced home benefits from gated access, beckoning you in through grand double doors. Inside, the home is set atop beautiful timber flooring and enjoys sweeping open-plan living with a distinct space for each function. Perfect for cosy nights at home, the lounge features a gas log fireplace, while the adjoining family and meals area takes a casual approach for elevated everyday living. Making a seamless transition outdoors, the undercover alfresco area is designed for year-round use, fitted with both heaters and ceiling fans, and an outdoor kitchen, complete with built-in barbecue, fridge, and sink. Soak up the sun or cool down in the cerulean blue pool in your own personal paradise, framed by lush greenery.

Sleek and minimalistic without compromising on quality, the state-of-the-art kitchen boasts outstanding stainless steel appliances, including 900mm gas cooktop, dual wall oven, integrated dishwasher, and separate wine fridge, complemented by a deep double sink and an abundance of storage throughout, encased in finger-recessed joinery. Completing the picture, the waterfall island breakfast bar with feature pendant lighting creates an informal eating area or a place to keep the chef company.

Ascending to the first floor, the home's five sleep sanctuaries are zoned to this level, ensuring maximum rest and rejuvenation. While each space has been individually curated, the common denominators are plush carpet underfoot and delicate sheers paired with block-out curtains, allowing soft light to filter in throughout the day, while maintaining serene darkness at night. Lavishly appointed, the palatial master suite enjoys a walk-in robe through to private ensuite, while bedrooms two through five are each fitted with a built-in robe. For utmost flexibility, the ground floor study is the ideal work from home setup, but can also double as a sixth bedroom if required.

Centrally located, the sparkling family bathroom offers a choice of built-in bathtub or glass corner shower with dual shower head and recessed niche, teamed with floating vanity and a sleek toilet. Whether you're getting ready for the day or unwinding at the end of the week, the two bathrooms upstairs strike a balance between elegance and practicality, while the ground floor powder room epitomises convenience.

Other features include a double lock-up garage with drive through roller door access to the rear yard, large laundry, plantation shutters, and ducted heating paired with reverse-cycle split-system heating and cooling for year-round comfort.

Enjoying an unparalleled location within walking distance to Faye Reserve, Keilor Village, Recreation Reserve and Library, Keilor Gatehouse Preschool, and St Augustine's Primary School. Meanwhile, a short drive unlocks further amenity, including picturesque Brimbank Park, Keilor Central Shopping Centre, and Brimbank Wellness & Aquatic Centre, meanwhile, proximity to the Calder Freeway provides boundless connectivity across Melbourne, including to the city, airport, and onto regional Victoria.
