Immaculate home with self-contained flat in sought after Ivadale Lakes

This low maintenance property is situated on a 501m² corner block opposite a beautiful park with numerous walking tracks, BBQ areas and Lakes to enjoy.

This four-bedroom, two-bathroom home includes the additional bonus of a self-contained flat which is currently rented to a family member and is ideal for extended family/teenage retreat or could maybe be used as Air bnb. The current owners have re-painted inside and converted the double garage into a multi-purpose room with a large built-in cupboard and a large laundry area.

Fabulous neutral tones and an abundance of natural light enhance the inviting open plan dining and living zones that extend via sliding glass doors to a delightful sheltered outdoor entertaining space; the perfect all-season private setting for entertaining or sitting back with a cuppa and a good book. Mealtimes are a breeze in the stylish on-trend kitchen, which offers loads of light-filled practical preparation space, a new electric cooker, dishwasher and plenty of storage.

All the well-proportioned bedrooms have built-in robes, ceiling fans and reversed cycle air-conditioning are served by a family bathroom. The fourth bedroom at the front of the home serves as a Granny Flat with a separate entrance.

Just moments from idyllic local beaches, excellent schools, parks, shopping, cafes, amenities and medical services; you will want to snap up this superb opportunity and stake your claim on a coveted slice of the renowned laid-back Sunshine Coast lifestyle.
