A Place To Call Your Own

Possessing lovely street appeal, this brick and tile home will provide comfort, a low maintenance lifestyle, be well located, and is available at an affordable price.

3 bedrooms, a very neat kitchen with stone benchtops, 3-way bathroom with separate bath and ducted air conditioning, are a perfect combination for a first home buyer, investor, those downsizing, divorcees and more.

A covered entertainment area is attached to the rear and the fenced yard will suit small pets or gardeners.

Natural gas is connected to the home for hot water and the cooktop.

The garage provides lockup accommodation for a car and workshop/storage, and the oversized carport is great for keeping extra vehicles out of the weather.

Within 600 m there are Medical centre's, Gym, Bunnings, and Mitre 10 and just 1.5 kms to the town centre, you will find, Coles, Woolworths, Target, Big W, Cafes etc. In between, there are Hotels, Performing Arts Centre, and food venues.

This is a fantastic opportunity to secure a Torrens Title home in an established neighbourhood.
