Peaceful Property Packed with Potential!

Nestled in a peaceful cul-de-sac, this single-level brick and tile home offers the perfect blend of comfort and functionality. Featuring:

- Three Bedrooms: All with built-in-robos.
- Three-Way Bathroom: Practical and convenient with separate toilet, bathtub and shower.
- Inviting Living Spaces: The family room boasts a warm and inviting fireplace, flowing seamlessly to the undercover entertaining area.
- Central Kitchen: Abundant with cupboard space and boasting a breakfast bar.
- Open-Plan Living and Dining: Adjacent to the kitchen, the second living and dining area also connects to the outdoor entertaining space.
- Outdoor Entertaining: Enjoy alfresco dining or relaxing in the generous undercover area.
- Garage & Carport: Attached single garage with remote access and a carport with drive-through access to the backyard - ideal for extra vehicles or a trailer.
- Charming Gardens: The front yard has a beautiful bunch of rose bushes, while out the back, you'll find a veggie patch ready for your green thumb.

This affordable property is a rare find in a sought-after location, offering the perfect combination of space, comfort, and convenience.
