Space and Elegance Combine in Envable Northside Court

A truly unique gem in a sought-after, elevated North Berwick location, this spacious four-bedroom home offers an exceptional layout designed for both family living and vibrant entertaining.

At its heart is a Mediterranean-inspired outdoor oasis featuring a glistening inground pool, spa, and a sheltered, paved entertaining deck—an ideal space for relaxation and gatherings.

Inside, four generously sized and cleverly zoned bedrooms offer plenty of storage, with the master suite boasting dual built-in robes and a private, spa-like ensuite. The ensuite impresses with a corner-set spa bath, dual WCs, a walk-in shower, and a stone-topped vanity, providing a luxurious retreat for the homeowners. A generously sized dual-entry laundry with abundant cupboard and bench space adds further convenience for family living.

Two expansive living areas are positioned to embrace natural light and provide a seamless connection to the stunning outdoors, while the kitchen, centred around an elegant island bench with granite benchtops, is equipped with stainless steel appliances, ample pantry storage, and serene poolside views. Cosy up by the woodfire heater in the dining and living area, complemented by ducted heating, split-system cooling, and high quality and character-filled finishes including elevated ceilings, decorative cornices, and charming ceiling roses.

Practicality is woven into the charm with a double garage offering internal access, abundant storage, and thoughtful bedroom zoning for privacy. For hobbyists or those needing extra storage, a fantastic "Man Cave" or spacious workshop lies below the home. Complete with its own WC, it's a perfect hideaway or workspace.

Situated close to Wilson Botanic Gardens, Parkhill Plaza Village, Berwick Village, and top local schools, this home combines elegance with modern comfort in an unbeatable location. Here's your chance to experience space, warmth, and superb views across Berwick and beyond.
