Escape the rat race

Discover this delightful two-bedroom home, built in 2016 and set on a generous 1,012-square-metre block. With polished timber floors and a modern layout, this property combines comfort and functionality. The kitchen, equipped with stone bench tops, a pantry and electric cooking, offers a generous meals area, while a separate lounge with air-conditioning provides a cozy retreat.

Both bedrooms come with built-in robes, and ceiling fans are fitted throughout. The well-designed bathroom includes a walk-in shower, with a discreet laundry tucked into the kitchen area for added convenience. The Crimsafe front door offers security, and the covered deck provides a perfect spot for morning coffee or afternoon relaxation. There are louvre windows throughout for passive cooling, and oversized windows allow loads of natural light.

Listen to the king parrots, pale-faced rosellas and watch the blue kingfishers. Soak up the spectacular mountain views and breezes. And enjoy the convenience of being a short walk to the Woolooga Pub and café.

Off-street parking accommodates two cars on a concrete pad, and a 7,000-gallon rainwater tank supports easy-care gardens. Ideal for those seeking a low-maintenance lifestyle, this property is just 25 minutes from the Gympie CBD-a perfect blend of modern ease and peaceful country living. Very private and serene - this quality and comfortable home is an absolute must see!
