North-east Facing with Side Access

- * Located in a Quiet Cul-de-sac
- * Light, Bright and Breezy
- * Side Access with Large Rear Garden

Nestled at the end of a quiet cul-de-sac, Rob and Racheal of Robert James Realty present this charming, light-filled home enjoying a perfect northeast aspect that brings warmth and brightness throughout. Neat and tidy, the home offers an open-plan family, dining, and kitchen area that flows seamlessly to a rear patio, ideal for relaxed indoor-outdoor living. The well-designed kitchen features two-way access and a picturesque view over the sizeable rear yard.

The layout is both functional and private. A formal living room welcomes you at the front, while the master suite is thoughtfully positioned on the eastern side, complete with an ensuite, built-in robe, and direct access to a rear side alfresco. The remaining bedrooms are well-separated from the master, providing easy access to a central bathroom with a bath, shower, vanity, and separate toilet.

Outside, the generous backyard boasts side access, offering ample space to add a pool, shed, or both. A garden shed provides extra storage, and with a tenant in place until early 2025, this property is perfect for investors or those planning their move in the New Year.

Enjoy quiet, convenient living in a well-cared-for home with endless potential. A close walk to Outlook shopping centre, a bus stop at the end of the street, Tewantin Noosa Golf Course and local schools nearby - don't miss this fantastic opportunity!
