From the moment you step inside, the quality of this home is clear. The ground floor features one of two main bedrooms, complete with built-in robe and a sleek ensuite showcasing a Caesarstone vanity. Upstairs, the master suite offers a private haven, featuring a spacious walk-in robe, a luxurious ensuite, and a private balcony that frames stunning water views-a perfect spot to unwind.

The third bathroom, situated between two additional bedrooms, continues the theme of understated elegance, with a freestanding bathtub, Caesarstone vanity, wall-mounted toilets, and modern smart tiles enhancing the design.

At the heart of the home lies the kitchen, designed for those who love to entertain. A Caesarstone waterfall benchtop, Bosch 900mm oven, Bosch induction cooktop, and a butler's pantry equipped with a Puratap and abundant storage combine to create a chef's dream. Flowing effortlessly into the dining and living spaces, this open-plan area is adorned with premium finishes, including non-scratch floating floorboards and stylish light fittings. Sliding glass doors connect the living space to the deck and expansive lawn area, offering a seamless connection between indoor and outdoor living.

A fully equipped theatre room adds a layer of luxury, while modern conveniences like USB fittings in the master bedroom, Ethernet points throughout, ducted air conditioning with touchscreen controls, and a smart camera doorbell enhance everyday living.

Outside, the home caters to practical needs with exceptional vehicle access, making it easy to add a shed or pool, and features like fitted sprinkler systems, additional garage storage, and guest parking. The striking façade, with low-maintenance aluminium-look wood gables and elegantly finished outdoor areas, ensures a lasting first impression.
