Panorama View Living in a Park Cul-de-Sac

Raise your expectations in this park-side location with wide green views, elevated appeal and Dingley Village's biggest 'front yard'. Overlooking Bardoel Park in a tightly-held cul-de-sac, this elevated 3 bedroom 2 bathroom, dual zone home promises a parkside lifestyle for every stage of life. Opening with panorama-view lounge-dining with a wide picture-window, this family-sized home steps back with a relaxed kitchen-casual area flowing outwards through glass-sliders...and a third living zone outdoors with a vast full-width, all-season deck!

Starring tranquil park-view bedrooms including a lofty master-suite, the home is zoned for family harmony with a quiet third bedroom perfect to double as home-office. Centrally heated, cooled and alarmed with a sizeable skylit bathroom with a separate WC, and an elegant ensuite, there's endlessly easy living with an abundant storage including walk-in and built-in robes plus bonus roof and stairway storage.

With four-car parking including a double dual-door auto-garage with workshop space, this high-set, high-quality is landscaped for low-maintenance with a fruitful rear citrus garden featuring a vegie-box ...and lawns for pets to run, a playground for the kids and space to relax in your 'front yard' across the road.

Situated in the most highly-sought parkside position of this in-demand low-traffic locale, this elevated home is high on lifestyle options too with Dingley Village, DFO and Costco shopping within a minute, major freeways close for a quick trip to the CBD and the Peninsula, and Hawthorn Football Club's new Kennedy Community Centre coming soon.
