A Natural Entertainer Renovated to a Show-Stopping Standard

A shining example of a brilliantly executed renovation, this classic home has been transformed into a breathtaking entertainer and has left no stone unturned in its pursuit of perfection. Simplistic in its style, careful attention to detail has tied together a palette of neutral hues with a beautiful blend of on-trend features, without losing the integrity of the home.

Inside, four flawless bedrooms create a tranquil retreat for everyone, the three bathrooms are divine and finished to a showroom standard, and a well-appointed study delivers a space to work from home, and while beautiful, it's the living zones that provide the magic. Anchored by a custom kitchen is a superb open plan zone with pitched roofline extending seamlessly to a sublime alfresco living area equipped with an outdoor kitchen before stepping down to a second entertaining area framed by a bushland border - it's worthy of gracing the pages of a Home Beautiful magazine. A separate lounge room delivers a quiet escape when needed.

Other noteworthy highlights include ducted air conditioning, quality floor and window coverings, a double garage and an abundance of windows beaming in light.
