\$520 Per Week

The home boasts its original charm, which has been carefully preserved and maintained over time, giving it a unique and enduring character. The home is designed on a single level, which makes it easy to navigate and suits the preferences of individuals who prefer to avoid stairs or seek a more accessible living space. The living area is welcoming and comfortable, providing a cozy place to relax and spend time with family and friends. The kitchen and dining spaces are generously sized, ensuring that residents have ample room to prepare meals and enjoy meals together. With three bedrooms, the home is suitable for families or individuals who may require extra space for guests or a home office. The three bedrooms are situated around a central bathroom, which adds convenience and accessibility for the residents. The presence of ducted heating and evaporative cooling ensures that the interior remains comfortable in various weather conditions. Having a separate laundry area is practical and enhances the overall functionality of the home. The outdoor area is spacious and offers sunny north-west aspects, making it an ideal place for outdoor activities and relaxation. The property provides ample off-street parking through a side driveway, making it convenient for residents and their visitors. The home's location is advantageous due to its proximity to Central Square shopping, Comben Reserve, and Laverton station, making essential amenities and transportation easily accessible.
