The Perfect Family home | Open Home Cancelled - Under Contract

Nestled in a quiet area of Spring Farm, this spacious four-bedroom home enjoys a prime position opposite a peaceful reserve, providing beautiful nature views all year round. The attractive façade and well-maintained landscaping set a welcoming tone from the outset.

Upon entry, the newly installed hybrid timber flooring and high ceilings lead you through to the home's practical open-plan design, featuring a family and dining area along with a light-filled lounge room. The kitchen serves as the heart of the home, equipped with ample bench and storage space, a dishwasher, and a gas cooktop, ensuring a functional setup for daily life. Just off the kitchen, the laundry offers additional pantry space and storage options.

All four bedrooms are comfortably sized and carpeted. Two bedrooms have built-in robes, while the master suite includes a walk-in robe and private ensuite. The fourth bedroom provides flexibility, ideal as a home office or media room.

Designed for easy entertaining, the glass sliding doors open out to a tiled alfresco area, complemented by additional decking, perfect for outdoor gatherings. This overlooks a neat, low-maintenance backyard, making it a practical space for both relaxation and family activities.

All of this is complimented by ducted AC, ceiling fans to three bedrooms, solar system, double lock up garage, garden shed and gated side access for a trailer.

This home provides an excellent opportunity for first-time buyers, families looking to upsize, or those wanting to downsize, thanks to its single-story floor plan. Conveniently located close to Spring Farm Shopping Centre, public transport, and local parks, this property combines comfortable living with a peaceful setting.
