Custom built and architecturally designed is this absolute masterpiece. Featuring top quality building materials combined with the very best fixtures and fittings make this home the pride of the street. Featuring 4 spacious bedrooms all with robes, 2 living areas, loads of storage, stunning laundry, 2 seamless bathrooms, double electric garage with internal access with the sheer highlight being a chefs kitchen with all mod cons including a butlers pantry overlooking a huge living area which leads out onto a North facing outdoor entertainment area, the perfect all year round spot. With 5 reverse cycle split systems, top of the range flooring, vaulted ceiling, double glazed windows throughout and all set perfectly on a generous sized allotment. Contact the agent as there are another 5 or 6 houses nearly completed by the same master builder that are available to purchase today. Priced to sell at \$695,000.
