Timeless elegance & style, perfected for Family Living!

"Glenella" - A meticulous & painstaking renovation has awoken the inner beauty of this charming, light filled classic home. High pressed metal ceilings & high-calibre finishes maximise this well-appointed floor plan.

Showcasing 3 bedrooms + study & 2 new bathrooms with bespoke marble herringbone tiling, and a luxe kitchen that needs to be seen to be truly appreciated, this is a home that has charm around every corner, while offering all of today's comforts, without shedding its gracious period nuances.

The open plan rear design spills out all the way to the undercover alfresco & one of a kind, 17m inground pool, boarded with marble paving & a private cabana, luxe living has been considered in every detail.

Glenella is positioned on an impressive and sub divisible 1,435 square metre allotment with dual street frontage, coming complete with a 7m x 8.7m powered shed & carport. The remaining green space is plentiful, and comes into its own for families of all shapes & sizes - or for those that simply enjoy the sense of having space to spread one's wings.

In her 100 year tenure, Glenella has captured the hearts of many with few being fortunate enough to call her their own. Now with a new lease on life & a burning desire for you to call her home, we welcome your invitation to inspect.
