LIFESTYLE ACREAGE LIVING AT ITS BEST – 2 ACRES, IMMACULATE HOME

This massive family home on 2 acres has just undergone an elegant make over and will be sure to impress the most discerning buyer.

Built for the growing family, the new owners will love the layout designed for living, entertaining or simply relaxing by the pool.

With 4 bigger than average sized bedrooms all with built-in wardrobes, the main with walk-in robe and ensuite (ensuite toilet separate). The brand new, designer kitchen which overlooks the 11m x 3.4m salt water pool, is large enough for any chef with ample bench space, breakfast bar and roomy dining area.

The formal dining room could easily convert to another living or office space. There is a large separate lounge/rumpus room big enough for an 8 x 4 ft pool table, great for the kids and their friends. The large storeroom off the rumpus room with built-in cupboards is big enough to be an office or study room.

If you love being outside, the 10m x 4m covered entertainment area overlooking the pool is the perfect spot for those long summer days watching the kids play in the pool. With the yard being just over 2 acres and fully fenced, there are gates in place so you can have one big yard or divide the rear off at the house, great for dogs and the kids will have enough yard space for motor bikes or go carts. The 12m x 7m powered shed with extra high roller doors and double bricked could easily be turned into a granny flat or teenager's retreat. The front yard could possibly be subdivided off into a 4000m² block (subject to council approval).

Other features:

- * 3 x Inverter split reverse A/C units in living, rumpus and main bedroom.
- * Separate toilet with hand basin.
- * Full width front patio.
- * Well established gardens & trees.
- * Large paved areas.

It's stylish yet understated, it's huge yet homely, it's in a quiet and charming neighbourhood yet only minutes drive to the heart of town. You will not be disappointed!
