Amazing House

Hey everyone!

I just found this amazing house in Jindalee and I had to share it with you! It's got the perfect location, super convenient for families, and so much space with a very versatile floor plan. Whether it's for your big family gatherings, dual living, or even a home business, this place has it all. With five bedrooms and two living rooms, we can do so much!

The neighbourhood is fantastic. Imagine having parks, schools, shops, public transport, and the Jindalee Boat Ramp all just a short walk away. Plus, being only 12 kms from the CBD with easy access to major roads and transport, it is so easy to get around.

This house has been loved for almost 30 years, and homes in this area rarely come up for sale. So, if you're interested, you should jump on this one quickly!
