READY TO MOVE INTO

The property has been a great investment with the recent long-term tenants been able to buy and move into their own home. Now it is available for the next owner to enjoy and make their own improvements or for a savvy investor seeing a property with potential that is tenant ready.

The main features are:

- 3 newly carpeted generously sized bedrooms
- Well looked after bathroom with separate toilet
- Open dining and living areas with timber floors
- Simple kitchen with electric stove top and stainless-steel back
- High carport easily accommodating 2 vehicles with access to back yard
- New roof insulated approximately 2 years ago
- Separate storage utility room
- Good sized front and back yard with hills hoist clothesline

To find a low maintenance brick property such with great bones and available to move straight into can be rare so don't hesitate to contact Harry Wilson to not miss out.
