Unique and irreplaceable! This 1219m² absolute waterfront block boasts a remarkable 31.3m water frontage and enjoys the most stunning east facing views across the bay towards Stradbroke Island. A sandy beach stretches along the coast only a few steps from the back gate. Stunning sunrises and peaceful evenings can be enjoyed from the back deck. The current home has charm and character with rich, polished timber floors, large open plan living with an open fireplace and a full-length patio with slate floor. The property is ideally located in a quiet residential pocket 0.5kms to the new shopping centre and a stroll to Redland Bay Golf Course at the other end of the street. Everything is literally on your doorstep.

As well as enjoying million dollar views the block has subdivision potential and is surrounded by prestige homes. A last chance to secure your sanctuary by the sea – the possibilities are endless.....
