Family retreat

Discover the perfect family retreat nestled within a serene hillside setting. This expansive Western Red Cedar residence offers a harmonious blend of earthy timber and slate finishes, elevated by cathedral ceilings that imbue the space with an open, airy ambience.

Boasting a generous plot spanning 1263 square metres, this remarkable home caters to the dynamic needs of family living with a flexible floor plan that provides privacy and togetherness in equal measure. The heart of the home is undoubtedly the well-appointed kitchen, featuring Caesar stone benchtops, dual ovens, dishwasher, walk-in pantry, and ample storage, all positioned for easy interaction with the family and meals areas.

With 5 inviting bedrooms, each member of the family is assured their own private haven, while the 2 bathrooms cater to busy morning routines and relaxing evening unwinds. The home unfolds over multiple zones, offering a downstairs rumpus room that could transform into a teenage retreat, a home office, or a space for hobbies and entertainment.

An entertainer's dream, the home is graced with a sweeping deck that offers a private outlook, ideal for al fresco dining or simply soaking up the tranquil surroundings. The warmth of a wood fire, the convenience of a split system, and the comfort of ceiling fans ensure this home is a haven in all seasons.

Parking is a breeze with a sealed driveway leading to a carport, alongside additional off-street parking, a garden shed, and a separate lock-up workshop for all your storage needs. The fully fenced, usable yard is a safe play paradise for children and a blank canvas for garden enthusiasts.

This exceptional property is not just a home; it's a lifestyle choice for those seeking space, comfort, and a great location with the bonus of the local Selby Primary School and Kindergarten less than 1km away. Your family's next chapter begins here.
