Coastal Retreat with Water Views

Positioned to embrace the tranquillity of its surroundings, this four-bedroom family home captures stunning views over the waterways of the award-winning The Point development in Point Lonsdale. Meticulously designed and finished with a coastal aesthetic, this beautiful home offers a neutral palette and sleek finishes, making it a versatile blank canvas for a family seeking style and space.

At the heart of the home, the open-plan living area is bathed in natural light, with engineered timber floors and expansive windows framing picturesque water views. A standout kitchen features white and timber cabinetry complemented by subtle, grey-patterned waterfall stone benchtops, high-end 900mm Bosch induction cooktop and 900ml Bosch electric oven, and a generous walk-in pantry with open shelving. Adjacent, the dining space flows seamlessly to a covered alfresco area and down towards the sloping rear lawn, perfect for entertaining or quiet evenings outdoors looking out over the peaceful vista. A second lounge at the front of the home is a cosy retreat, ideal for movie nights or chilling out away from the hustle of the family living zone. Ducted gas heating & double glazed windows throughout and reverse cycle air conditioning in both living zones ensure year-round comfort.

The king-size master suite is complete with a walk-through robe and elegant ensuite with double vanity and a wide, glass-framed shower. Three additional bedrooms, all with mirrored built-in robes, share a family bathroom featuring a freestanding tub and a modern, soft-grey palette.

Surrounded by parklands, walking tracks, and close to Point Lonsdale and Queenscliff amenities, this home offers a serene lifestyle with the practicality of modern design. Arguably the finest street in The Point and one of the very few properties with direct water access. Enjoy water views, spacious interiors, and proximity to the best of the Bellarine.
