IF YOU DON'T NEED A BIG HOUSE ANYMORE

This fibro home is ideal for someone that spends more time outside than inside. The home features a double bedroom, a basic kitchen/dining area, sunroom, internal laundry, bathroom with plenty of storage and a shower . The summer heat is taken care of with a ref A/C.

Outside you'll be impressed by the double block, 7mx 7m double garage with a concrete floor and several bird aviaries. The property has the convenience of rear street access as well.
